Faculty who have been selected previously are not eligible for nomination prior to ten (10) years from their most recent selection.

The Committee solicits further evidence of excellent teaching from the nominees' students, department chairpersons vitae, and faculty reports of professional activities. The Committee may elect to narrow the field of nominees before soliciting this additional information.

The ISU Board of Trustees has established the Theodore Dreiser Distinguished Research/Creativity Award at Indiana State University for faculty members who have made outstanding contributions to the advancement of knowledge. Funds are made available so that a minimum of two (2) and a maximum of four (4) awards, each with a stipend and a plaque certifying this special achievement, may be presented at spring commencement. In each year at least one (1) award should be given in each of the two (2) categories - research and creativity.

380.2.1 Requirements. Candidates for the award must be tenured or tenure-track full-time members of the Indiana State University faculty. In addition, their work must meet the following requirements:
