Call to Order

The Indiana State University Board of Trustees met in regular session at 10:30 a.m. on Friday, February 21, 2020 in the State Room, Tirey Hall.

Trustees present: Mrs. Cabello, Mr. Casey, Mrs. McKinzie, Mr. Minas, Mr. Pease, Mr. Phillips, Mrs. Powers, Mrs. Smith and Mr. Taylor.

Trustees absent: None

President Curtis, Vice Presidents Angel, Licari, McKee, Morgan and Rogers were present. Also attending were Dr. Chris MacDonald, Chairperson of the Faculty Senate, Mr. Todd LaComba, Chairperson of the Staff Council and Ms. Maddy Longyear, President of the Student Government Association.

There being a quorum present, Mr. Taylor called the meeting to order at 10:32 a.m.

Report of the Faculty Senate Chairperson

Good afternoon. The Faculty Senate is working on many important issues, though several of them will not come to you until May. We have sent the Campus Tobacco Policy out to the Student Affairs and Faculty Affairs Committees to be reviewed. A proposed Sports Wagering policy has also gone to these committees. The Faculty Affairs Committee is also working on a dramatic revision to our faculty Biennial Review process, rather than continuing to make the incremental changes that we have routinely been doing every two years. The changes are being made to decrease the amount of time and effort that faculty spend both preparing their materials and in reviewing others' materials. Yesterday afternoon, the Senate reviewed the draft of the Foundational Statements that you have in front of you today. As expected, faculty provided a lot of feedback on these, and we expect that the campus-wide survey will also garner useful feedback that we will then incorporate as we craft the final version that you will see in May.

The Faculty Senate leadership is concerned about the demographic shifts that we are only on the leading edge of, and what they mean for ISU. We are at a key planning point and we have a real opportunity to set ourselves up for success in the years and decades to come, if we are collectively able to adopt a mindset of agility, nimbleness, and solution-focused problem solving. Earlier this month, the Senate hosted an open forum on Institutional Transformation, which was attended by more than 90 individuals. This forum was designed to inform faculty about challenges we will be facing in coming years, and allow them the opportunity to generate ideas about how to go about facing them. Specifically, we asked them to answer:

- 1) What institutional transformations can we make to help ensure our future success?
And
- 2) What aspects of the academy are we not willing to compromise; that is what are our non-negotiables?

Once the ideas have been compiled, there will be a taskforce co-chaired by the Provost and a faculty member to begin the process of determining what changes we need to make, and how to go about doing so over the next 18 months. We fully intend that any policy change proposals coming out of the taskforce will go through the appropriate faculty governance processes for approval.

Thank you.

Report of the Staff Council Chairperson

Thank you Chairperson Taylor and good morning everyone.

Since our last report, we have held two events to engage the ISU staff – a family skate night and a Simply Adorable; Custom Home Décor event. We have three upcoming events: in March we have Table massages from ISU students from the college of Health and Human Services as a fundraiser and a Trivia night which will be hosted on campus this year. In April we are selling Carnation in advance of Administrative Professionals Day. Money raised from these supports the Staff Council Scholarship.

We continue to engage with President Curtis, Provost Licari and other members of University Leadership as we strive toward a stronger relationship with the administration. Last month we had Vice President Andrea Angel and the Foundation Board Chair Don Dudine speak to us about the work of University Advancement and Foundation Board. This month we had Athletic Director Sherard Clinkscales join us to discuss Athletics.

Along those lines, the Staff Council has been busy, like our counterparts across campus, reviewing the Tobacco policy, the Sports Wagering policy and the Mission, Vision and Values – one that I am personally grateful to have been a part of.

On the Staff Benefits and Relations side, we are working with HR to share the wants and needs of the staff as it related to ongoing training / continuous education; the recent trend has been to move trainings online, but there are some trainings that staff feel are best handled in person to gain feedback and better understanding. We are also working toward guidelines for use of a donation made last year to support employee childcare.

Lastly, we have submitted changes to our by-laws that will be discussed later in this meeting.

Thank you.

Report of the Student Government Association President

Thank you, Chairman Taylor.

It has been a busy and exciting start to the semester for SGA.

On January 29 we celebrated Founders Day in a new and exciting way across campus. We started the day by partnering with Student Philanthropy Group for a Hot Cocoa and Donut stand. We then had a "Leave your Mark" table. Students stopped by and painted their hands a shade of blue then put their handprints on large wood SGA letters. In the afternoon, we hosted Cake at the Condit and passed out cupcakes to students. We were so grateful to have President Curtis stop by and pass out cupcakes alongside us for a bit. At various points throughout the day, we did t-shirt giveaways. We designed an exclusive Founders Day 2020 shirt and handed out a select number outside of academic buildings. Students loved the shirts, and by our last view giveaway times were standing and waiting for us to arrive! Also, throughout the day, we filmed a "Billy on the Street" type video where our Chief of Staff, Braden Murphy, asked students questions about the history of ISU. Those who answered correctly won either a Founders Day Shirt or laptop sticker. It was a fun, exhausting, and incredibly rewarding day for us all. We look forward to this new tradition continuing and growing in coming years.

As you all know, in the month of February we celebrate Black History Month. We have been doing trivia through our social media and are in the process of filming a Black History Month that will be posted at the end of the month. We will be doing a similar social media campaign in March to celebrate Women's History Month. Our aim is to celebrate Black History and Women's History in our world, nation, state, and campus.

Our student organization resource funding has been allocated for the spring semester. We were able to allocate nearly \$40,000 to our student organizations. Our SORF applications are open for the fall semester, so interviews will begin soon to allocate those funds.

In April, we will be partnering with the Office of Sustainability for a green baseball game and tailgate. We will serve impossible burgers, have music, play lawn games, and have exclusive shirts and giveaways while promoting sustainability on campus and in their own lives. We will then head into the stadium to cheer on our sycamores as they take on IU.

Ashley and I have been working alongside our Director of Governmental Affairs to update the SGA Code and Constitution and are looking to combine a few positions to improve office efficiency.

You may or may not be aware of this, but we are currently in the middle of election season. Students will be voting on the 58th President and Vice President on March 3rd and 4th via the Treehouse. At our next meeting, I will be to share with you our President and Vice-President-Elect.

It's hard to believe that it is already February, but the 57th administration is looking forward to an exciting and productive final few months. Thank you.

Report of the Vice President for Advancement and CEO of the ISU Foundation

Good morning trustees, President Curtis, colleagues and guests. I am honored to provide an update on the activity and results of the Division of University Advancement. Today I will share with you an update on our endowment performance and scholarship distributions, campus fundraising priorities and our fundraising progress year-to-date.

University Advancement partners with the GEMM group, a branch of Merrill Lynch, to oversee our investment portfolio. The Foundation has partnered with the GEMM group since 2016 and our foundation board and specifically the investment committee are pleased with the strategies and performance of our endowment investments. Since inception in Dec. 2016, the endowment has grown 9.77% with our 2019 investment results reporting 19.58 percent growth.

The University Advancement team, working in conjunction with the scholarship and financial aid office, have diligently worked since January to determine scholarship and program distribution amounts for the 2020 – 2021 academic year. Today is the day we report distributions to our campus partners. I am pleased to report more than 900 private funds will be available to award with a total distribution of more than \$3.1 million dollars from endowed and annual awards. This amount represents a 24% increase from the \$2.5 million available for the 2019 – 2020 academic year.

A little more than a year ago, Dr. Curtis and our team, began cultivating and soliciting prospects for the Bridge the Gap scholarship initiative. Under her leadership, I am pleased to report we have exceeded the \$1 million dollar mark in designated funds for Bridge the Gap Scholarship support. For the upcoming academic year, \$190,000 will be available to students specifically for Bridge the Gap scholarships.

Give to Blue day is 19 days away! On March 11 our second annual day of giving will take place, inspiring joyful giving from Sycamores across the country and world. As announced in January, the donor goal for Give to Blue day pays homage to the founding of our University as we are aspiring to have at least 1,865 donors in this 24-hour period. The advancement team has worked diligently to prepare for this day. To-date, 40 matches or challenges have been secured in advance to inspire giving on March 11. I thank those of you in this room including, Trustees and campus partners, that have committed to a match or challenge in advance of Give to Blue Day. It is not too late to determine your challenge in advance of the day. My leadership team

and I are here after the board meeting to help anyone here facilitate their give to blue challenge today.

Finally, on the performance front, I am pleased to report on our private giving results through January 2020, seven months of our fiscal year. \$7.2 million has been raised in private support through gifts of cash, cash pledges, gift-in-kind or planned giving. This amount reflects a 23% increase from the same 7-month period last year, which ironically, reflected a 23% increase from fiscal year 18 to 19. Gifts have been made from 3,922 distinct donors.

Thank you for your time today and don't forget Give to Blue day on Wednesday, March 11!

Report of the University President

Black History month:

- February is **Black History Month**, and Indiana State University always has an array of special events to celebrate our rich heritage in serving African American students since our first year of operations in 1870.
- The **Charles E. Brown African American Cultural Center** and the **Black History Month committee's** goal this year was to acknowledge, recognize and celebrate African American achievement through programs that recognize the intellectual, social and artistic contributions of people of African descent.
- More than 20 separate programs were scheduled including a special keynote at the opening ceremony by ISU alumna **Carolyn Mosby-Williams**, author of the book, "Unflappable."
- Other events included a **Regional Soul Cuisine** meal in Generations put on by Sodexo, the **Hiplet** (hip-lay) Performing Arts Series program, workshops on **culturally relevant pedagogy**, a **health fair**, a **read-in, displays, discussions, a black film festival** and a **career networking event** with the Indianapolis Black Chamber of Commerce.
- A Community Gospel Observance featuring the **Ebony Majestic Choir** and the **Terre Haute Unity Gospel Choir** will conclude a fantastic month of celebration on February 29th.
- Thank you to all who contributed to this celebration.

21st Century Scholar 30th Anniversary

- I was pleased to join several of our 21st Century Scholars at the Statehouse last week as the **Indiana General Assembly** recognized the **30th anniversary** of this program. Commissioner of Higher Education **Teresa Lubbers** specifically recognized Indiana State for its long-standing service to these students. Indiana State has the **highest concentration of 21st Century Scholars** among the state's colleges and universities.
- This program aligns with Indiana State's goal of transforming students' lives through the attainment of a degree. We are appreciative of this important investment the State is making in this program.

Career Center news:

- We are pleased to report that during the month of February, **187 employers** will be on campus at various career fair activities.
- These events give our students opportunities to compete for **internships** and **jobs**.

- The efforts of our career center staff are definitely working as our [placement rate](#) for the class of 2018 was [95%](#), indicating that 95% of our graduates were either employed in their field, going to graduate school or serving our country in the military within six months of graduation.
- The Class of 2019 results will be available later this spring, and we are optimistic that these results will be good news as well.

2nd Annual Jamal Khashoggi Address on Journalism and the Media:

- This year's Speakers Series lineup will conclude with the second annual [Jamal Khashoggi Address on Journalism and the Media](#) on March 16. This year, [Steve Inskeep](#), the popular co-host for NPR's Morning Edition and an Indiana native, will provide the address.
- The address pays tribute to the late Jamal Khashoggi, a 1983 alumnus of Indiana State. Khashoggi was one of a group of international journalists known as "The Guardians" who were honored by Time magazine as [Person of the Year](#) in 2018 for their pursuit of the truth despite tremendous obstacles.
- The annual address was kicked off last spring with [Washington Post Foreign Affairs Columnist David Ignatius](#).

Introduction of Tiarra Taylor:

- Lastly, we are pleased to have a special guest here today to be introduced. I would like to recognize [Vice President Andy Morgan](#).

(Dr. Morgan will introduce ISU student Tiarra Taylor, Miss ISU and Miss Indiana.)

(Comments from Tiarra Taylor.)

Dr. Curtis:

- Thank you, Tiarra. We are so proud of you and all that you have done to represent Indiana State across the state and at Miss America.
- We are especially proud of the fact that you remained in school while also meeting the demands of your position as Miss Indiana, and I am looking forward to greeting you when you cross the stage at Commencement in May.

That concludes my report.

Report of the Board Chairperson

The Trustees were treated to a wonderful basketball game last night. It was exciting and a win. I hope most of you yesterday were able to see our board seminar on enrollment management. Enrollment and demographics have been referred to a lot, and there has been lots of treatises written on the subject. There is a particular good one written by *Inside Higher Education* that is called "Squeezed from all sides." This is a particularly good analysis and expensive so I can summarize it for you I think pretty directly. The law of large numbers no longer applies. Everything we have to do today from an enrollment and recruitment point of view has to be very intentional and very focused. We are going from the law of large numbers to very personalized recruitment. That is what we saw yesterday, down to personalized recruitment videos for those students we are trying to attract. A much more intentional process, and I have to believe that is going to be a much more fruitful process than admitting a lot and hoping for the best. I commend Jason Trainer on the efforts to date, Dr. Curtis and Dr. Licari, under your leadership. I have great confidence that it is going to bear fruit in the future. In the meantime, we still struggle a bit, but we will persevere, and we will do the things we need to do to keep this university operating and solvent. I hope this doesn't sound dour because it really should be uplifting. I think we are turning the corner to a new day in terms of how we recruit students, and the results will come from that. I think we have a lot to which we should look forward. That concludes my remarks and looking forward to the future.

3a Minutes of the December 13, 2019 Meeting and Certification of Executive Session

The Indiana State University Board of Trustees met in Executive Session at 1:15 p.m. on Friday, December 13, 2019 in the State Room, Tirey Hall.

The Indiana State University Board of Trustees hereby certifies that no subject matter was discussed in the Executive Session other than the subject matter specified in the public notice.

The Trustees met in a regularly scheduled meeting on Friday, December 13, 2019 at 2:00 p.m.

Trustees present: Mrs. Cabello, Mr. Casey, Mrs. McKinzie, Mr. Minas, Mr. Phillips, Mrs. Powers, Mrs. Smith and Mr. Taylor.

Trustees absent: Mr. Pease

Recommendation: Approve the Board Minutes for December 13, 2019 and Certification of Executive Session held on December 13, 2019.

On a motion by Mr. Pease, seconded by Mrs. Powers, the recommendation was approved.

3b1 ISU Housing and Dining Rates for 2020-21

On-Campus Housing

The proposed rate increase for a Traditional residence hall room with a Standard meal plan, representing the majority of on-campus rooms, reflects a two percent (2%) increase for 2020-21. Freshman students are housed in residence halls assigned the Traditional room category. The Premium room rate is \$500 per year more than the Traditional room rate and is assigned to select rooms within Reeve Hall with private baths.

Proposed Rates - On-Campus

The proposed 2020-21 rates for on-campus housing are listed below and include additional room accommodation options and meal plan options. The 2019-20 housing and dining rates are included with this item for comparative purposes.

Meal Plan		2019-20 Academic Year Rate		Proposed 2020-21 Academic Year Rate
5 Meals per Week & \$100 Commons Cash per Semester		\$1,606.50		\$1,654.10

The Residential Life Technology Fee will continue to be \$15 per semester.

Application Fee and Initial Deposit

In 2014 the Board of Trustees approved a \$20 non-refundable application fee and \$150 initial payment to all housing applicants. The \$150 initial payment is non-refundable if the applicant fails to inform the University prior to July 1, preceding the academic term for which the application was submitted, that they are not enrolling. Currently there is not a process in place to allow for a waiver of the \$150 initial payment.

It is recommended the application fee and initial payment policy be modified to allow the Executive Director of Residential Life to waive or refund the \$150 initial housing payment under the following conditions:

- The student meets financial hardship criteria and has demonstrated financial aid to cover the cost of room and board.
- Refunds may be provided after the July 1 deadline on a case-by-case basis for students who had unexpected documented situations that require unanticipated-withdrawal or deferment of matriculation.
- The initial housing payment of \$150 may be waived for a specific population of students as an enrollment yield strategy.

Contract Buy-Out Policy

Students who do not qualify for a contract release may participate in a 65% buy-out option. The student will be charged 65% of their Housing and Dining Services Contract as a cancellation fee in return for a cancellation of the Housing and Dining Services Contract. The original policy (2005) charged students 65% of the entire contract regardless of when the cancellation occur.

It is recommended that students who cancel their contract between the date of signing their academic year contract and November 1 of the contracted academic year will pay 65% of the remaining fall semester room and board fees only. Students who cancel their contract after November 1 of the contracted academic year will pay 65% of the remaining fall and spring semester room and board fees. First-year students are not eligible to request a contract buy-out due to the University First-Year Residency Requirement.

The recommended policy modification will more fairly assess students a fee based on the timing of the cancellation.

Recommendation: Approval of the proposed 2020-21 Housing and Dining rates and modifications to application fee and initial deposit and contract buy-out policies as listed above.

Mrs. Smith reported that the Finance Committee unanimously recommends the approval of items 3b1, 3b2 and 3b3 as presented. The board voted to approve the items as presented.

3b2 2020-21 Flight Academy Fees and Certification

Operational expenses for the Flight Academy are primarily funded by flight fee income realized through the assessment of flight fees. These fees are non-refundable unless (1) the student drops the respective course for the certification being pursued, or (2) the student completely withdraws from the University.

The flight fees shown below for the mandatory certificates as required by the four year B.S. degree program (Private Pilot, Instrument, Commercial, and Multi-Engine) and additional certifications reflect no increase in the hourly rate. The proposed increase in hours for each certificate is to more accurately reflect the number of hours needed by students to meet certification requirements.

Proposed 2020-21 rates are as follows:

Mrs. Smith reported that the Finance Committee unanimously recommends the approval of items 3b1, 3b2 and 3b3 as presented. The board voted to approve the items as presented.

3c1 Proposed Modification of Policy 100 Establishment of University Policy Library

Rationale: The administration proposes that Policy 100 Establishment of University Policy Library be modified to allow the administration to make “minor and inconsequential” to the policies in the Policy Library. The proposed modification allows for notification to the shared governance unit and continues the current practice of allowing the Faculty Senate Executive Committee to certify any modifications to its Constitution, Bylaws, and the faculty-related policies found in Section 300 of the Policy Library.

Proposed Language:

100 Establishment of University Policy Library

100.1 University Handbook History

The first Indiana State University Handbook was published in 1961 and has continued to be published in print or online form since its initial publication. The University Handbook has traditionally described the history, administrative organization, policies and procedures that govern the University, including but not limited to the bylaws of the Board of Trustees, the constitution and bylaws of the University Faculty Senate, the bylaws of the Staff Council, the constitution and bylaws of the Student Government Association, operational policies of major University Divisions, and all other University policies the Board determines appropriate.

100.2 University Policy Library

The University Policy Library is hereby established as the successor to the Indiana State University Handbook. The University Policy Library shall retain all policies previously approved by the Board of Trustees, subject to modification from time to time. The President or the president's designee shall be responsible for the regular review of policies.

100.3 Policies Subject to Change at Sole Discretion of Trustees

The policies contained in the University Policy Library are subject to change at the sole discretion of the Indiana State Board of Trustees. The University Policy Library, as successor to the University Handbook, supersedes all prior handbooks or written policies of Indiana State University that are inconsistent with its current provisions. The Office of the General Counsel is authorized to make minor and inconsequential changes to the policies in the Policy Library, such as grammatical changes, renumbering, or change in office or position titles. Prior to the modification, the General Counsel or the Policy Administrator will notify the Chairpersons of the Faculty Senate, Staff Council, and Student Government Association that the proposed modification will be made. With respect to Policy changes in Policy 145 Constitution of the Faculty Senate, Policy 146 Bylaws of the Faculty Senate, and all policies in Section 300 Faculty Handbook, the Faculty Senate Executive Committee will have the opportunity to certify the modification under the procedure in Policy 145 Constitution of Faculty Senate, Section 145.9.1.4.

100.4 University Policies Do Not Create a Contract

The University Policy Library does not create a contract of employment between ISU and its employees. Generally, the employment relationship between ISU and an employee is at-will and

either the employee or ISU may terminate the employment relationship at any time, for any reason, with or without cause, unless a specific provision in the Handbook provides otherwise. The University Policy Library establishes that certain provisions related to tenured and tenure-track faculty are exceptions to the at-will relationship. No supervisor, manager, or representative of ISU other than the Indiana State University Board of Trustees has the authority to approve any agreement regarding the terms of employment that changes the employment relationship or deviates from the provisions in this Handbook, except to the extent authority has been delegated.

Recommendation: Approval of the modifications to Policy 100 Establishment of University Policy Library

On a motion by Mr. Phillips seconded by Mr. Casey, the recommendation was to approve 3c1, 3c2 and 3c3, the recommendation was approved.

3c2 Proposed Modification of Policy 155 Indiana State University Staff Council Bylaws

Rationale: The Indiana State University Staff Council has engaged in a complete review of its bylaws and submits the proposed modifications to the Board of Trustees for review and approval. The administration supports these modifications.

Recommendation: Approve proposed modifications to Policy 155 Indiana State University Bylaws.

On a motion by Mr. Phillips, seconded by Mr. Casey, the recommendation was to approve 3c1, 3c2 and 3c3, the recommendation was approved.

3c3 Proposed Modification to the Code of Student Conduct

Rationale:

The Board of Trustees modified Policy 922 in December 2019. The Code of Student Conduct contains information that reflects the prior policy and, on the advice of the General Counsel, the administration recommends removal of certain sections of the Code of Student Conduct and direct referral to the updated Policy 922 Sexual Misconduct.

As part of this review, the administration also recognized two errors in the current Code of Student Conduct as it relates to the authority of the University Conduct Board in matters involving sexual violence and proposes elimination of these two items and the entirety of Appendix G: Title IX Information.

Section 8.2 of the Code of Student Conduct gives authority to approve amendments to the president and then requires that those amendments be submitted to the ISU Board of Trustees for review and permanent acceptance or rejection. President Curtis approved the amendments on February 14, 2020, and the proposed amendments are now requested to be approved by the Board of Trustees.

Proposed Language:

3.1 Misconduct against Persons

Students at Indiana State University are expected to conduct themselves in a respectful and civil manner. Personal conduct and communication, either directly or indirectly with other students as well as faculty and staff, should conform to the University's community values and standards. As members of the at-large community, students are encouraged to resolve disagreements through informal, frank, and open discussion. Often conflicts can be lessened, if not resolved, by clearing up misperceptions and misunderstandings. Students are strongly encouraged to resolve any related concerns in this manner. However, the University also recognizes that occasionally more formal processes are needed. All such activities, whether informal or formal, must be carried out by all participants within a framework of good faith and general respect for one another. Students are encouraged to contact SCI for assistance or guidance in resolving any concerns or conflicts. Conflicts may be resolved through established disciplinary procedures and/or conflict resolution strategies.

It is an expectation of the University that students have a reasonable knowledge of and adhere to the following prohibited conduct and policies:

3.1.1 Violence/Abusive Behavior refers to physical abuse/ violence or conduct that threatens or endangers the health or safety of any person.

3.1.2 Threatening/Intimidating Behavior refers to behavior (reoccurring or singular extreme act) that involves an expressed or implied threat, which includes, but is not limited to the use of words verbal, written, or electronic (e.g. Facebook, Instagram, Snapchat, Vine, Twitter) inherently likely to provide an immediate violent reaction when directed toward a specific individual, or any behavior that has the purpose or reasonably foreseeable effect of creating a hostile environment by, but not limited to, interfering with another individual's personal safety, safety of property, academic efforts, employment, or participation in

University-sponsored activities and causes that person to have a reasonable apprehension that such harm is about to occur.

3.1.6 Hazing is prohibited in connection with the activities of students and student organizations. Hazing shall be defined as any conduct which subjects another person, whether physically, mentally, emotionally, or psychologically, to anything that may abuse, degrade, or intimidate the person as a condition of association with an organization or group (formal or informal), regardless of the person's consent or lack of consent.

3.1.7 Restricting Movement refers to any activity that limits or restricts a person(s) against his/her own will and/or restricts his/her freedom of movement.

Please refer to Policy 922 Sexual Misconduct for matters involving sexual misconduct, relationship violence, or stalking. Students are advised to contact the Equal Opportunity and Title IX Office for questions related to these matters.

Information regarding Stalking, Sexual Misconduct (including Sexual Violence and Sexual Harassment), Intimate Partner Violence (See Appendix G for directions to full policy, definitions, and procedures)

The University approved in June 2015, policies and procedures for all students, faculty, staff, and visitors on Stalking, Sexual Misconduct, and Intimate Partner Violence. Stalking, Sexual Misconduct, and Intimate Partner Violence are defined below:

Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to (A) fear for the person's safety or the safety of others; or (B) suffer substantial emotional distress. (See Appendix G for expanded information)

Sexual Misconduct includes both sexual harassment and sexual violence, as defined below. (See Appendix G)

- **Sexual harassment** refers to the unwelcome imposition of sexual attention often in the context of a relationship of unequal power. The policy applies to men and women equally and encompasses both heterosexual and same-sex harassment. Sexual harassment is any conduct, physical or verbal, that is sexual in nature and which has the effect of unreasonably interfering with an individual's or a group's educational or work performance, or which creates an intimidating, hostile, or abusive educational or work environment. It can include unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature made by someone from or in the workplace or educational setting.
- **Sexual Violence** is any sexual act that is perpetrated against someone's will. Sexual violence encompasses a range of offenses, including but not limited to a completed or attempted nonconsensual sex act (i.e., rape), abusive sexual contact (i.e., unwanted touching), and non-contact sexual abuse (e.g., threatened sexual violence, exhibitionism, verbal sexual harassment). All types involve victims who do not consent, or who are unable to consent or refuse to allow the act), abusive sexual contact (i.e., unwanted touching), and non-contact sexual abuse (e.g., threatened sexual violence, exhibitionism, verbal sexual harassment). All types involve victims who do not consent, or who are unable to consent or refuse to allow the act.

Intimate partner violence—sometimes referred to as domestic battery or dating violence—describes physical, sexual, or psychological harm by a current or former partner or spouse. This type of violence can occur between individuals of heterosexual or same-sex couples and does

not require sexual intimacy. Intimate partner violence can vary in frequency and severity. It occurs on a continuum, ranging from verbal abuse that may or may not impact the victim to chronic, severe battering. (See Appendix G) There are four main types of intimate partner violence including but not limited to:

- **Physical Violence** is the intentional use of physical force with the potential for causing death, disability, or injury. Physical violence includes, but is not limited to, scratching; pushing; shoving; throwing; grabbing; biting; choking; shaking; slapping; punching; burning; use of a weapon; and use of restraints or one's body, size, or strength against another person.
- **Sexual Violence** is any sexual act that is perpetrated against someone's will. Sexual violence encompasses a range of offenses, including but not limited to a completed or attempted nonconsensual sex act (i.e., rape), abusive sexual contact (i.e., unwanted touching), and non-contact sexual abuse (e.g., threatened sexual violence, exhibitionism, verbal sexual harassment). All types involve victims who do not consent, or who are unable to consent or refuse to allow the act), abusive sexual contact (i.e., unwanted touching), and non-contact sexual abuse (e.g., threatened sexual violence, exhibitionism, verbal sexual harassment). All types involve victims who do not consent, or who are unable to consent or refuse to allow the act.
- **Threats of Physical or Sexual Violence.** The use of words, gestures, or weapons to communicate the intent to cause death, disability, or injury.
- **Psychological/Emotional Violence** involves trauma to the victim caused by acts, threats of acts, or coercive tactics. Psychological/emotional abuse can include, but is not limited to, humiliating the victim, controlling what the victim can and cannot do, withholding information from the victim, deliberately doing something to make the victim feel diminished or embarrassed, isolating the victim from friends and family, and denying the victim access to money or other basic resources. It is also considered psychological/emotional violence when there has been prior physical or sexual violence or prior threat of physical or sexual violence.

Confidential resources are available as outlined by the federal mandate and the policy. Please note, unless a person falls in the category of confidential resource, many faculty/staff are considered responsible employees. This means they are required to report to the Title IX coordinator any allegation of sexual misconduct.

Investigations and resolution procedures regarding allegations of these policies are resolved through the Title IX process.

An online report form is available through the Equal Opportunity and Title IX Office.

4.4.1 Conduct Authority

The Director of SCI is charged with the development and administration of the Indiana State University conflict resolution procedures (CRP). The Director of SCI or designee is responsible for the training of University Conduct Officers (UCO). The following individuals have been granted authority as University Conduct Officers over the execution of conduct proceedings:

- Associate Director of SCI,
- Executive Director of Residential Life,
- Associate/Assistant Directors of Residential Life,
- Additional staff members in the University community as deemed appropriate and as trained by the Director of SCI or designee, and
- University Conduct Board.

The aforementioned individuals may conduct administrative conferences with students who may have violated any University policy, including those found in the Code of Student Conduct, ISU Residence Hall Handbook and ISU student organization policies.

~~The Director of SCl may refer a complaint the University Conduct Board (See 4.4.3) in matters involving academic misconduct, sexual violence, and/or as necessary to address University community concerns.~~

4.4.3 University Conduct Board (UCB)

This board is comprised of one student in good standing with ISU, one University faculty member, one University staff member, and the Director of SCl or his/her designee to serve as the advisor to the board. These individuals are appointed by the President and trained by the Director of SCl. When the UCB is convened, the Director of SCl or his/ her designee will convene the board as stated above by members of the University hearing board pool:

- Six students (undergraduate and/or graduate),
- Six faculty members, and
- Six staff members.

~~The UCB will hear all cases involving academic integrity violations, sexual violence or cases referred to SCl from the Office of Equal Opportunity.~~ On a case-by-case basis, a University Conduct Board may be offered as an option for complaint resolution.

Appendix G: Title IX Information

The administration proposes elimination of Appendix G in its entirety.

Recommendation: Approve the modifications to the Code of Student Conduct

On a motion by Mr. Phillips, seconded by Mr. Casey, the recommendation was to approve 3c1, 3c2 and 3c3, the recommendation was approved.

3c4 Proposed Modification to Policy 955 Campus Tobacco

Rationale: President Curtis created the ISU Tobacco Free Task Force in September 2018 following increasing concerns regarding vaping and the use of electronic smoking devices on campus. The task force completed its work and issued a report in April 2019. The task force considered data, including the results of a survey to ISU students, faculty, and staff in which two-thirds of respondents supported a tobacco-free policy. In fall of 2019, the President asked each governance unit to solicit feedback on the report from their constituents and as a result of that feedback proposes this policy modification. The draft policy is provided to the Board of Trustees for information and will request that trustees consider this policy for action at the May 2020 meeting.

Proposed Language:

955 ~~Campus~~ Tobacco, Vapor, and Smoke Free Campus

955.1 Overview of Policy

Indiana State University ~~has a commitment~~ is committed to the health and wellness of its students, faculty, and staff. This commitment is demonstrated by the Student Health Promotion and ~~Student Recreation Center~~ Campus Recreation programs coordinated by the Division of Student Affairs, by the efforts of the Employee Assistance Program coordinated through the Office of Human Resources, and by curricula and activities in several academic units throughout the University.

955.1.1 Indiana Law Sets Minimum Standards. Documented research has substantiated the health problems caused by ~~both electronic smoking devices, hookah, smoking, tobacco products, and passive smoke, smoking and passive smoke.~~ The General Assembly of the State of Indiana adopted the Indiana Clean Indoor Air Law which is applicable to all state entities in order to address concern for the health and wellness of all Indiana government employees and students. This law sets forth minimum standards but allows state agencies to adopt more stringent rules if desired. Both the City of Terre Haute and Vigo County have passed ordinances that prohibit or limit smoking in public places and places of employment. The U.S. government has enacted restrictions on the sale of cigarettes, e-cigarettes, and other devices in recognition of the health risks associated with smoke and tobacco products.

955.1.2 Applicability. ~~Indiana State University has established the following policy regarding smoking for all facilities and vehicles in which University functions or services are carried out or offered.~~

955.2 Definitions.

955.2.1 "Electronic Smoking Device" means any product containing or delivering nicotine or any other substance intended for human consumption that can be used by a person in any manner for the purpose of inhaling vapor or aerosol from the product. The term includes any such device, whether manufactured, distributed, marketed, or sold as an e-

cigarette, e-cigar, e-pipe, e-hookah, or vape pen, or under any other product name or descriptor.

955.2.2 “Hookah” means a water pipe and any associated products and devices used to produce fumes, smoke, and/or vapor from the burning of material, including but not limited to, tobacco, shisha, or other plant matter.

955.2.3 “Smoking” means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, pipe, hookah, or any other lighted or heated tobacco or plant product intended for inhalation, including marijuana, whether natural or synthetic, in any manner or in any form. “Smoking” also includes the use of an electronic smoking device, which creates an aerosol or vapor, in any manner or in any form, or the use of any oral smoking device for the purpose of circumventing the prohibition of smoking in this Policy.

955.2.4 “Tobacco Product” means any substance containing tobacco leaf, including but not limited to cigarettes, cigars, pipe tobacco, hookah tobacco, snuff, chewing tobacco, dipping tobacco, bidis, blunts, clove cigarettes, or any other preparation of tobacco; and any product or formulation of matter containing biologically active amounts of nicotine that is manufactured, sold, offered for sale, or otherwise distributed with the expectation that the product or matter will be introduced into the human body by inhalation; but does not include any cessation product specifically approved by the U.S. Food and Drug Administration for use in treating nicotine or tobacco dependence.

955.32 Prohibition of Sales

The sale of electronic smoking devices, hookah, smoking, and tobacco products is prohibited on university-owned, operated, or leased property.

955.43 Prohibition of ~~Smoking~~Electronic Smoking Devices, Hookah, Smoking, and Tobacco Product Use.

The use of electronic smoking devices, hookah, smoking, and tobacco products~~smoking tobacco products~~ is prohibited on university-owned, operated, or leased property.

955.43.1 Exception for Private Vehicles and Designated Areas. The use of ~~smoking tobacco products~~legal electronic smoking devices, hookah, smoking, and/or tobacco products is permitted in the enclosed cabin of privately owned vehicles and in designated smoking areas on campus. Designated smoking areas will be gradually phased out in a manner determined by the administration.

955.4.2 Exception for Inhaler Devices for Medical Use. Legal use of an inhaler device for medical purposes is not prohibited.

955.43.32 Other Exceptions. Any exceptions for the use of electronic smoking devices, hookah, smoking, and/or tobacco products ~~smoking tobacco products~~ on university-owned, operated, or leased property will be limited to specific university-sponsored research in a controlled laboratory setting or upon approval by the President. ~~must be approved by the President or Provost.~~

955.54 Enforcement

Enforcement of this policy will depend on the cooperation of all faculty, staff, and students not only to comply with the policy, but also to encourage others to comply, in order to promote a

healthy environment in which to work, study, and live. Peer ambassadors can assist with enforcement by providing policy education and connection to cessation resources to persons who violate the policy.

955.65 Violations

Policy violations may be reported to the ISU Police Department. ISU Police will forward alleged policy violations by employees to the Office of Human Resources for potential disciplinary action under Policy 562. Information about student violations of the policy will be referred to the Dean of Students for potential disciplinary action under the Code of Student Conduct. Observation of a violation of the policy should be reported to Public Safety at 5555. Follow up for violations of the policy should be referred to the appropriate administrative office for review and action for faculty through the office of Academic Affairs, for staff through Human Resources and to the Dean of Students for students

Recommendation: This item is provided to the ISU Board of Trustees for information only.

3d Naming of the Dr. Larry Coleman/H. Peter Hudson Endowed Professorship in Insurance

This proposal is to request the naming of the Dr. Larry Coleman/H. Peter Hudson Endowed Professorship in Insurance. The naming of the Professorship would be the result of a \$1,000,000 cash transfer to the Indiana State University Foundation from the H. Peter Hudson Charitable Remainder Trust held by National Bank of Indianapolis, Trustee. The gift will be funded by June 30, 2020.

H. Peter Hudson, was the former Indiana Commissioner of Insurance under Governor Otis Bowen (1975-1981) and President/CEO of Monroe Guaranty. He served one Pacific tour of duty in the Navy as an aviation structural mechanic. Upon return from his service, Mr. Hudson established The Hudson Company with offices in Kouts, Valparaiso, and Chesterton. The company quickly became the largest insurance agency in Northwest Indiana. Committed to his community and county, he spent countless hours raising money for causes, providing leadership, creating civic organizations and improving the quality of life for everyone. He pushed the Indiana insurance industry toward higher ethical standards. On a national stage, he served as the President of the National Association of Insurance Commissioners, continuing to push for significant industry reform. In 1983, Mr. Hudson assumed leadership at Monroe Guaranty Insurance. In 2001, he sold the company and retired. For Mr. Hudson, service and philanthropy were the bedrocks of his faith. He chartered or served on local, regional, state and national boards.

Mr. Hudson was recognized by the ISU Foundation as a 2003 March On! Award recipient, he received an honorary degree from ISU in 1993, and he was an emeritus member of both the ISU Foundation Board and Insurance Advisory Board at his death.

Mr. Hudson created the H.P. Hudson Charitable Remainder Trust on December 31, 2011. It was his intent to honor, Dr. Larry Coleman, who began the insurance program and encouraged other insurance executives to become involved with the program at Indiana State University. The family of Mr. Hudson is in support of the dual naming for Dr. Coleman and Mr. Hudson. The amount of the gift for this naming opportunity is consistent with the Indiana State University Naming Policy.

Recommendation: Approval of the naming of the Dr. Larry Coleman/H. Peter Hudson Endowed Professorship in Insurance.

On a motion by Mrs. Smith, seconded by Mr. Phillips, the recommendation was approved.

3e Acceptance of Conflict of Interest Disclosure Statements

Rationale: Members of the Board of Trustees and President's Cabinet annually complete the ISU conflict of interest disclosure statement. Members of the University community are also reminded of the need to complete a conflict of interest disclosure statement and await a decision by the ISU Board of Trustees before any contract or other financial transaction takes place in which the employee has a pecuniary interest.

Recommendation: Acceptance of the Conflict of Interest Disclosure Statements.

On a motion by Mr. Minas, seconded by Mrs. McKinzie, abstained by Mr. Taylor, the recommendation was accepted.

3f Proposed Modification to University's Foundational Statements and removal of statements from University Policy Library

Rationale: In preparation for the development of its next strategic plan, Indiana State University began a review of its foundational statements in August 2019. The review includes the institution's current Mission Statement, Vision Statement and Core Values as shown at: <https://www.indstate.edu/policy-library/mission-vision-and-core-values>.

President Deborah Curtis asked Dr. Brad Balch, dean emeritus of Indiana State's Bayh College of Education and professor of education, to lead this review process. Dr. Balch has more than 20 years of strategic planning experience and has served as a consultant to numerous educational entities. He is working with Teresa Exline, chief of staff, in guiding this process.

Last fall, Dr. Balch conducted a series of individual and group sessions to garner input from campus and various ISU leadership groups. An electronic survey was also provided to the entire campus to garner additional input. In total, around 200 individuals participated in this portion of the process.

The results of these sessions were used to help guide a small working group led by Dr. Balch and including Chris MacDonald, chair of the Faculty Senate; Todd LaComba, chair of the Staff Council; Madison Longyear, President of the Student Government Association; Santhana Naidu, Associate Vice President and Chief Marketing Officer; and Teresa Exline.

The group developed new draft core values, vision and mission statements which have been distributed to campus for feedback and are presented to the Board for information at this time. An electronic survey is available to garner campus feedback through March 6, 2020.

The draft statements are:

Core Values:

Indiana State is committed to these core values:

- **Learning:** We partner with students through high-impact practices and hands-on experiences, within and beyond the classroom.
- **Engagement:** We collaborate with individuals in our local and global communities to create relationships, connectedness, and a shared sense of pride.
- **Inclusiveness:** We embrace the diversity of individuals, ideas and expressions.
- **Discovery:** We nurture intellectual curiosity through the creation of new knowledge and the joy of enhanced human understanding.
- **Growth:** We prepare the next generation of leaders by providing personalized and challenging opportunities.

Vision Statement:

As engaged members of a global society, all Indiana State students succeed through personal attention, high-impact practices, and hands-on experiences that prepare them to be leaders sought by employers in Indiana and beyond.

Mission Statement:

Indiana State enhances the lives of students through challenging and empowering opportunities, promoting a culture of inclusion and support. We offer robust learning and discovery that are engaging and relevant while facilitating continuous growth through rich community-based experiences. We are committed to student-success initiatives resulting in graduates who make an impact in Indiana and beyond.

As part of this process, management is also recommending that the Core Values, Vision, and Mission statements be removed from the policy library (current policy 110) and placed on a dedicated webpage. Appropriate units from throughout the University (Policy Library, Board of Trustees, Office of the President, Strategic Planning, Academic Affairs, Human Resources, Governance Units, etc.) will link to this dedicated site.

Recommendation:

The draft statements are provided for information at this time. A final recommendation will be presented for action at the May 8, 2020 meeting of the Board of Trustees.

4b Financial Report

Revenues

Student Tuition

Fall semester tuition of \$43.4 million is below budget by \$2.5 million. This shortfall will also be reflected in the Spring semester. The University has budgeted \$4.0 million as a reserve to offset this shortfall. Summer school tuition totals \$4.05 million which reflects only the second half of summer as this crosses the fiscal year. Through December 31, 2019, \$4.8 million of Spring tuition has been recognized. This compares to \$5.2 million that had been recognized at December 31, 2018.

Other Fees and Charges

Other Fees and Charges are above last year's amount by \$193,237. This is due to an additional amount of distance delivery fees of \$256,403 and a reduction in late registration, change of course and deferment fees.

Other Income and Transfers

Other Income and Transfers are above last year's totals by \$283,363 which reflects increased utility reimbursement by Residential Life and increased interest income allocated to the general fund.

Program Fees

Program Fees increased by \$196,656 due to new NHHS nursing fees.

Reimbursements and Income Reappropriated from Other Sources

Income from these sources are down \$664,296 due to timing of the transfer of the new student orientation fee and reduced course fees from lower enrollment.

Expenses

Compensation

Compensation expense is below last year's total by \$1.5 million. Salaries and Wages are down \$1.6 million to reflect reduced administrative, instructional, support, overtime, and student wages. Fringe benefits increased by \$0.1 million due to reduced medical, retirement, and FICA costs that were offset by timing of retirement incentive payouts.

Departmental Expenses

Total Departmental Expenses decreased \$1,226,371. Supplies and Related Expenses decreased by \$1,468,819 due to reduced searches, travel, printing, marketing, and student media purchases. Repairs and Maintenance expenses are up \$334,194 on increased encumbrances in Facilities Management. Other Committed Expenses are down \$91,746 from the previous year.

Utilities and Related Expenses

Utilities and Related Expenses are below last year's total by \$412,126 reflecting lower sewage, natural gas, and water costs.

Equipment and Other Capital

Equipment and Other Capital expenditures are down \$864,129. Library Acquisitions are below last year's expenditures by \$558,492 due to timing of purchase orders on library subscription services. Operating Equipment expenses are down \$812,631 as the result of reduced technology and student media purchases. Capital Improvement costs are up \$506,994 due to timing of transfers.

Student Scholarship and Fee Remissions

Student Scholarship and Fee Remissions are above last year's total by \$458,557. The growth in scholarships reflects a change that started in FY18 in eligibility criteria for merit based aid and the addition of the Illinois scholarship and Midwest Achievement scholarship programs. Based on Fall and Spring scholarship data a projected \$3.5 million budget deficit is anticipated. The Laptop scholarship program will produce a \$432,200 reversion and was netted against the scholarship shortfall.

Academic Debt Service

Academic Debt Service is at \$9.7 million for 2020 and shows a decrease of \$.15 million over 2019. This reflects the fee-replaced and non-fee-replaced debt service for the Human Center project. The non-fee replaced portion of debt service is funded by interest income and is reflected in the Other Income and Transfers listed above.

Budgeted Reserve

For FY20 a budgeted reserve of \$4.0 million was established to be used to offset tuition revenue shortfalls and student scholarship and fee remission overages.

Transfers Out and Program Fees

Transfers Out decreased \$819,783 due to the reduction in course fee transfers and the timing of the RHIC transfer.
